THINK EDUCATION. THINK ZEE LEARN.

# Our Belief System

- Children are not just roll numbers, they are unique individuals
- Every child is talented. Schools just need to figure where that talent lies
- A school's role is to develop whole individual, not just complete the syllabus
- Holistic development needs partnership between School and Parents
- Schools need an integrated approach centered on the child

# Our Philosophy

**Every aspect, action and decision at Mount Litera Zee School is governed by a single, simple principle – “What’s Right for the Child (WRFC)”.**

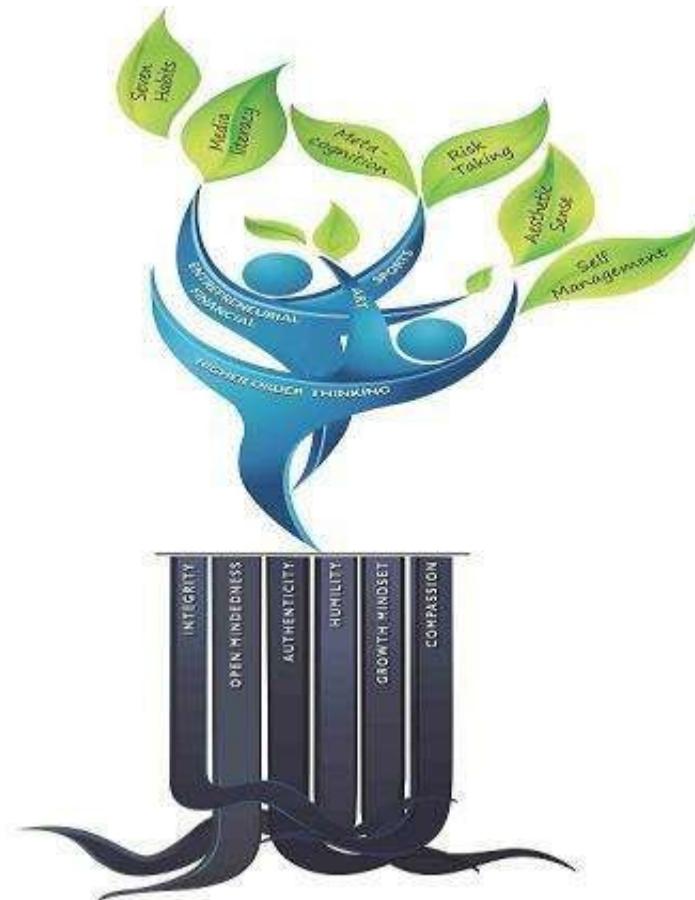

# Our Vision

“ To create an excellent educational institution synthesising the human values with the highest quality of teaching – learning using modern technology-driven tools for preparing a well-rounded personality for our society.”

To shape global minds on the Indian soil. To ensure this, the school will give every student an access to world class infrastructure and innovative curriculum that promotes the all round development of the child imbibing traditional values.
